SALES!

Why is it that the BUCHANAN store is always crowded with customers, while other houses are doing nothing? It is because the people are quick to recognize the difference between **REAL BARGAINS** and deceptive ones; and know that we have the largest stock and best goods, and sell at Lower Prices than others do; consequently, our trade is always good. We call attention this week to our elegant line of Dress Goods, in all the new goods and latest shades. Also, a magnificent line of Lyons Black Silks. Our White Goods department is full of nice goods—Persian Lawns, India Lawns, India Mulls, Linen Lawns, Victoria Lawns, India Linens, Pique Nainsooks, &c., in great variety. Of Laces and Embroideries we are showing a beautiful line. The ladies should see our White Dresses in boxes, our Embroidered Newport Scarfs and Cashmere Shawls, in black and colors. Every department is filled with choicest Goods and **REAL BARGAINS**. We invite an inspection of our stock. We can please every taste. A polite and attentive force of Clerks. No trouble to show goods.

ANOTHER BATTLE.

BRUSSELS, April 28.—The independence of Belgium, under reserve, from an excellent source, a report of a fresh battle between the Russian and Afghan, in which the former were defeated and retired, having with heavy loss.

THE RUSSIANS DEFEATED.

LONDON, April 28.—The St. Petersburg correspondent of the Daily News says: "I am informed on good authority of another engagement on the Afghan frontier of 1,700 Russians, who engaged the Afghans and were nearly all killed."

WAR REGARDED INEVITABLE.

LONDON, April 27.—A dispatch from St. Petersburg to Reuters Telegram Company says: "The war between Russia and England is now regarded as inevitable. The Czar leaves today for Moscow, and from that historic city he will issue his manifesto or declaration of war, if such an extreme measure should become necessary."

RUSSIANS BLOCKADED.

SILVIA, April 27.—The port of Vladivostok in Siberia, near the confines of China, has been closed to commerce. The Russian naval authorities have no disposition to permit that only a narrow channel remains for the entry and exit of their own ships.

PREPARATIONS AT SILVIA.

SILVIA, April 27.—Preparations are being urged for the quick dispatch of troops to the front.

RUSSIA UNDOING TURKEY.

LONDON, April 27.—It is asserted that the British Government is in possession of information which proves beyond a doubt that Russia has been urging Turkey to ally with Russia in the event of war between England and Russia.

Centrality in Europe.

The European powers are beginning to define their neutrality between England and Russia—which is a pretty good symptom of a general conviction that those two powers will not get out of their quarrel without a fight.

Italy is drawing towards England, Turkey desires to remain neutral, but is perceptibly under English influence, and would, no doubt, be forced to allow British war ships to pass through the Dardanelles and assault Russia on the Bosphorus.

France and England are experiencing a strain in their relations over affairs in Egypt, but is probable the difficulty will be adjusted and France will remain neutral, if so can, Germany and Austria are suspiciously quiet, and evidently know what they are about. They will act together with the Russian and change of the disturbed conditions.

Those of our citizens who persist in the use of well water should ponder well the following extract from the Frankfort Zeitsung:

"In St. Louis and Louisville the attention of the house of Representatives is being directed to wells and the use of well water as a prime cause of disease, the organs of the press in the former city that the wells have been ordered to be deepened with all the machinery at their disposal, and, in the latter, however, to satisfy the public generally of the unhealthfulness of wells, the local authorities for the bright, clear well water in the country is different from that in city, where it has become the receptacle of much of the city drainage."

Too Fine.

Three out of five men will vote for the "clever fellow" in preference to the qualified man for any position he seeks. People look at a candidate's ability to entertain a crowd, on occasions, rather than his capacity to discharge the duties of the position to which he aspires.

Gen. Whitthorne and ex-Governor Porter, of Tennessee, are at together, and the General wants to fight.
